

Year group: 5

Our theme for this half term is: Extreme Earth

All of the homework options below are linked to either this theme or other learning from this term such as English / Maths / Science etc.... Pupils are expected to read for 15 minutes every day and practice their phonics / spellings and times tables every day as well in addition to choosing 1 or 2 things from the options below each week. Try to ensure you do a balance of different activities over the half term, for example Maths one week, creative the next etc... Work (which can include photographs / evidence of activities or visits etc..) should be recorded in this Learning at Home book (unless it is a model). You will also be given CGP homework where appropriate.

### English

- Learn a poem and recite it by heart.
- Write a poem about our theme.
- Write a diary entry
- Watch Planet Earth/or research a remote area of earth to write a description of an extreme place on Earth
- Write a book review on your current reading book

### Maths

- Travel on a bus or train, planning your journey from a timetable and calculating the cost
- Create a song/rap to remember mat
- Design revision posters for the four operations and fractions, decimals and percentages.
- Practice your measuring skills by baking at home. Record what and how you measured the ingredients.
- Order and compare the world's mountain ranges by height
- Go shopping with a parent and total up your

### Creative

- Build a model linked to our theme (a volcano, a mountain or a river)
- Design and make a board game linked to Extreme Earth
- Create a collage showing a tsunami, hurricane, mountain or volcano
- Research and paint/draw a mountain
- Create a habitat for people living in a desert or on a mountain range.

### Other

- Learn / practice an interpretive dance showing how hurricanes and tornadoes move.
- Go on a journey somewhere you haven't been before! Take pictures and write about your visit (See Maths section).
- Watch NewsRound and summarise 2 stories including the headlines.
- Research facts about our theme and present a top 10 however you like.
- Prepare a show and tell.
- Visit the library and find books to research facts survivors of extreme events such as: an avalanche, a hurricane, a tsunami or an earthquake.
