Learning at Home Menu

Year group: 3

Our theme is: The Ancient Greeks

Please find below some suggestions as to learning activities your child could be doing at home during this period of Government enforced school closure. This menu of activities is additional to the theme menus sent home at the beginning of term, which pupils can continue working on as well. **Pupils are expected to read for 15 minutes every day and practice their phonics / spellings and times tables every day as well as choosing activities from the selection below.** Try to ensure you do a balance of different activities each day / week. Work (which can include photographs / evidence of activities or visits etc.) should be recorded in this Learning at Home book to share when school re-opens.
