

95% of what a child learns is through direct experience.
M. Mendizza
the imagination tree

"Play is our brain's favorite way of learning"
-Diane Ackerman

The early years foundation stage

In our Early Years Foundation Stage at Eastwood, we work in partnership with families to provide the best possible start for all our children. We use real, exciting and interesting experiences both indoors and outdoors, to inspire the awe and wonder that young children have such capacity for. We ensure that every meaningful learning experience the children encounter is a stepping stone for the next stage in their education, encouraging them to be curious, thoughtful, active, independent and resilient learners.
