

Year group: 1 Our theme for this half term is: Incredible Me!

All of the homework options below are linked to either this theme or other learning from this term such as English / Maths / Science etc.... Pupils are expected to **read** for 15 minutes every day and practice their **phonics / spellings and times tables** every day as well in addition to choosing 1 thing from the options below each week. Try to ensure you do a balance of different activities over the half term, for example maths one week, creative the next etc... Work (which can include photographs / evidence of activities or visits etc..) should be recorded in this Learning at Home book (unless it is a model).

English

- Read your reading book, say and write sentences which explains what the story is about
- Draw pictures of all the things that make you happy.
- Draw and label a picture of your family.
- Practice writing your name.
- Practise forming lower case letters in cursive handwriting.
- Write questions to ask a friend about their family

Maths

123

- Count to 20, forwards and backwards, beginning with 0 or 1 from any number.
- Read and write numbers from 1 to 20 in numerals.
- Make a set of cards from 0 -9. Turn over a card, write the number and represent the number using objects, coins and pictures.
- Write your number bonds to 10. / 20 and 100
Eg $6 + 4 = 10$ $16 + 4 = 20$ $60 + 40 = 100$
- Record all doubles up to $10 + 10$.

Homework

Creative

- Design and make a worry monster using paper plates and other creative resources.

- Design your own emojis for at least two feelings.
- Draw a picture of a tree as it looks now and then draw it again before we break up for half term. How has it changed?
- Use a mirror and experiment with making different facial expressions. Create a photo board.
- Ice biscuits and use edible decorations to show different emotions.

Other

- Watch The Colour Monster
<https://www.youtube.com/watch?v=PWUjGPb6mgo/>
- Jar of happiness
<https://www.youtube.com/watch?v=ilb5-PetjcE> and talk about the story.
- Play hit the button to learn number bonds, doubles and timestables.
