

Year group: Reception

Our theme for this half term is: **Sail the seven seas!**

All of the homework options below are linked to either this theme or other learning from this term such as English / Maths. Please choose 1 of the options from the menu. You can stick photos in the book if your activity was practical. The children bring home a new reading book each week and we would like you to share this with them at home

Don't forget to download and log onto the '50 Things to do before you're 5' app for lots more ideas for you to do together at home.
