

Our theme for this half term is: **UK History, Anglo-Saxons and Viking Warriors**

All of the homework options below are linked to either this theme or other learning from this term such as English / Maths / Science etc.... Pupils are expected to **read** for 15 minutes every day and practice their **spellings and times tables** every day as well in addition to choosing 1 thing from the options below each week. Try to ensure you do a balance of different activities over the half term, for example Maths one week, creative the next etc... Work (which can include photographs / evidence of activities or visits etc..) should be recorded in this Learning at Home book (unless it is a model).

123

English (Reading, Grammar, Spelling, Writing, Oracy, Handwriting)

2. Using the spelling list in your Reading Record, choose between 5 and 10 words and write a sentence including each spelling.
3. Cursive handwriting practice – ask for some lined paper if needed.
4. Write a summary of your favourite part of the book How to train your dragon.
5. Write a character description for Hiccup.

Maths

(Calculation, Fractions and Decimals)

-
- 1) Reach the top of the Year 4 leaderboard on TT Rockstars!
- 2) Use multiplication and division methods to create some calculations to solve.
- 3) Create a poster to explain how we add, subtract, multiply and divide fractions with step by step instructions
- 4) Recall multiplication and division facts up to 12x12.
- 5) Multiply three numbers together.
- 6) Multiply 2-digit numbers by a 1-digit number using formal written layout.
- 7) Play interactive games

Creative (Art, DT, Music)

1. Re-design the front cover of the book How to train your dragon.
2. Draw the map of the village where Hiccup lived.
3. Bake a cake, and cut it into fractions – take photos /draw diagram to show which fractions you used!
4. Create an instruction leaflet on how to train your dragon.
5. Design and create a Viking boat (you could use cardboard, kitchen rolls, foil aluminum, etc.)
6. Create a Viking armor.

Other (LOT, Geography, History, PSHE...)

1. Create an electricity poster
2. Create a poster which shows the different electrical components.
3. Design a timeline of the different artefacts that could be found in the UK.
4. Watch a film/documentary about the Vikings and write a review about it.
5. Design a poster to explain How to keep healthy and safe.
6. Create a double page spread about the Vikings. (make sure your double page spread has more information than drawings).
