Magic Breakfast!

Dear Parents and Carers,

We are delighted to tell you that, this academic year, we are eligible for the Magic Breakfast scheme! This is an amazing charity scheme which offers every pupil in our school a **FREE BREAKFAST EVERY DAY!**

This should start from week beginning Monday 5th October. We don't know which days deliveries will arrive but we will text you to let you know to expect your food items will be coming home that day with your child(ren).

Your child will bring home enough food for a week. One week this will be 1 pack of 5 bagels and the next week it will be 1 box of cereal per child. There will not be a choice of different items, we will be sent what we are sent each week but we know the cereals will include cornflakes, rice crispies (or similar) and Weetabix. Mrs Cowen will check food items for children with known allergies and will liaise with parents if special food items need to be collected to meet your child's needs.

Children who attend Breakfast Club will receive their breakfast items when they have their breakfast in the building before school

We are incredibly lucky to be able to take part in this scheme this year and receive free breakfasts for every child. The Government's aim in supporting this scheme is that children with full tummies are better able to learn and make progress. Please support us in this aim by ensuring your child(ren) eat their healthy breakfast items every morning before they come to school.

Should you have any questions / queries, please phone the school office on 610212 and we will do our best to help you.

Kind regards,

Mrs Suzanne Carter
Headteacher.
