## Library Week!

Dear Parents and Carers,

As you know, we are passionate about reading here at Eastwood. We know, especially at the moment it is really difficult to get new books into your homes so we hope that the information below will be of interest to you. Next week is Libraries week and, as part of this, we would like you to know about a FREE service you can all access.

All Bradford Libraries offer a FREE service where you can download books and audio books to your phones, tablets or computers. It works like the normal library service so you can borrow a book for 2 weeks and then either renew it or swap it for another one. There are lots of books on there to choose from for all ages so there should be something for all the family!

Borrow, download  
and enjoy here  
Your library in one app.

To use this service, you need to be a member of the library. If you are already, you can go straight to choose your books. If you are not a library member, joining is easy and FREE. Simply follow the link on the QR codes here or follow the link below:
