

Year group: 1

Our theme for this half term is: Traditional Tales

All of the homework options below are linked to either this theme or other learning from this term such as English / Maths / Science etc.... Pupils are expected to read for 15 minutes every day and practice their phonics / spellings and times tables every day as well in addition to choosing 1 or 2 things from the options below each week. Try to ensure you do a balance of different activities over the half term, for example Maths one week, creative the next etc... Work (which can include photographs / evidence of activities or visits etc..) should be recorded in this Learning at Home book (unless it is a model).

English

Choose your favourite traditional tale, draw a picture and write sentences explaining why it is your favourite.

Think of your own rhyming string. Use a word such as cat or house. Think of as many different words that rhyme with your chosen word.

Write a postcard to one of the characters in your favourite traditional tale. Explain who you are, where you live and what you enjoy doing.

Maths

123

Practice your 2, 5 10 times tables you can use <https://www.topmarks.co.uk/> as an aid

Go on a shape hunt in and outside of your house. What 2D and 3D shapes can you find? Can you identify and name these correctly?

Ask a grown up to let you use real coins. Make amounts to 5p, 10p, 15p and 20p. Take photographs or draw pictures in your home learning record to show the amounts you have made.

Homework

Creative

Build a cottage in the woods using different materials that you can find in your house such as cardboard tubes, boxes plastic containers. Take a picture to show how you have made it.

Using materials you have at home design and make your own crown or fairy wand. It can be as colorful as you like. You could write some fairy spells or write rules for your kingdom, pretending you are the king or queen.

Using a potato, decorate using resources you have at home to create a fairy tale character.

Other

Go for a walk in any local woods with your family, make a fairy den out of different woodland materials you may find, e.g. grass, sticks.

With your career, find a recipe for gingerbread men. Read the recipe and make it with your grown up.

With a career visit a garden centre or a shop which sells seeds. Choose a seed of your choice and plant taking photographs to show your plants progress.
