

Year group: 5 Autumn 1    Our theme for this half term is:    Infinity and Beyond

All of the homework options below are linked to either this theme or other learning from this term such as English / Maths / Science etc.... Pupils are expected to read for 15 minutes every day and practice their phonics / spellings and times tables every day as well in addition to choosing 1 or 2 things from the options below each week. Try to ensure you do a balance of different activities over the half term, for example Maths one week, creative the next etc... Work (which can include photographs / evidence of activities or visits etc.) should be recorded in this Learning at Home book (unless it is a model). Eastwood Community School does not take responsibility for the content of any external websites. Please monitor your child's internet usage.

### English

Imagine you are Neil Armstrong about to take off in your rocket into space, write about how you are feeling and why.

- Write a transcript of a conversation between you and an alien on another planet, what would you talk about? How would you both be feeling?
- Design a front cover for a non-fiction book about Earth and Space
- Write a fact-file about the planets in our solar system.

### Maths

123

- Write some space themed place value problems and swap them with a friend.
- Continue practicing your times tables using 'hit the button' or TTR and time yourself to see if you get quicker.
- Research number facts about Space and write some Maths problems for a friend.

## Homework

### Creative

- Draw and label a diagram of our solar system and write a fact file about at least 3 of the planets.
- Create a 3D model of a planet of your own design and write a description of its features.
- Make a model of a spacecraft you could use to travel to space and write about the features of your space craft and why they are important.
- Create a model of the solar system.

### Other

- Research NASA and write a short paragraph about their work.
- Go to the local library and find some new books about Space
- Write a book review for your favourite reading book.
- Create a menu for an alien visiting Earth with your favourite meals.
