

Year group: 3

Our theme for this half term is: What a waste!

All of the homework options below are linked to either this theme or other learning from this term such as English / Maths / Science etc.... Pupils are expected to read for 15 minutes every day and practice their phonics / spellings and times tables every day as well in addition to choosing 1 or 2 things from the options below each week. Try to ensure you do a balance of different activities over the half term, for example Maths one week, creative the next etc... Work (which can include photographs / evidence of activities or visits etc..) should be recorded in this Learning at Home book (unless it is a model).

### English

- Write a poem about our theme, What a waste!
- Visit the library and find books to research our theme.
- Write a narrative about recycling.

Make a list of things you  
have at home that you could take  
to a recycling shop.

### Maths

123

- Practice your 2,3,4,5,8 and 10 times tables.
- Create a song/rap to remember maths vocab.
- Design revision posters for fractions and decimals.

### Creative

- Build a model linked to our theme.
- Create a board game based on recycling.
- Make a pizza. How many different ways could it be divided as a fraction.

### Other

- Go to your local recycling centre and interview an employee.
- Watch Newsround and summarise 2 stories including the headlines.
- Research facts about our theme and present in a leaflet.
