MATHEMATICS
is not about
numbers, equations,
computations, or
algorithms:
it is about
UNDERSTANDING.

William Paul Thurston

Education is not the learning
of facts, but the training of the
mind to think. —Albert Einstein

Mathematics Vision Statement

*"Maths is like ice cream with more flavours than
you can imagine – and if all your children ever do
it textbook maths, that's like feeding them
broccoli-flavoured ice cream."*

Denise Gaskins

"EVEN THE HARDEST
PUZZLES HAVE
A SOLUTION"
