

'Building Brighter Futures Together'

We nurture happy, healthy, lifelong learners through:

Championing Children

In everything we do, cultivating character and aspirations.

Care

We prioritise wellness, nurturing and challenging each other so everyone achieves all they can and more!

Community

We are a positive, respectful, outward looking learning community who listen to and value everyone's contributions and the power of positive relationships and connections

Consistency

A drive to be the best we can be, providing a vibrant, rich, inclusive experiential curriculum for pupils and high quality CPD for colleagues.

Collaboration

We engage with community partners and value the unique contribution we all make to our school and community as we strive to achieve our core purpose.

Challenge

Every child and member of our learning community strives to be their very best, to make great progress through our inclusive, thematic curriculum forging connections throughout so they achieve and thrive as lifelong learners.
