Autumn 1

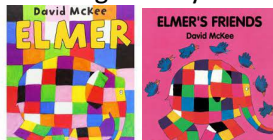

Please find below lots of useful information to help you and your children be organised and make the most of their time in our year group. Please also ensure you keep checking our website, Twitter account and text messages for other updates as well as looking out for letters which may be sent home from time to time.

What will my child be learning this term?

Our theme for this term is Marvellous Me and Fantastic Families.

The children will be encouraged to talk about themselves, their homes and their families. We will be learning the initial sound of their name and recognise those of their peers. Talk about numbers important to them, their age, their house number and how many people live in their house. Making connections between them and the numerals themselves is crucial. We will be looking at the stories Elmer's Friends, Elmer's Weather and Elmer's Colours and the large family.

How can I help my child at home?

- Ask them what they are learning about in school.
- Make sure they have equipment to do their learning at home.
- Check your child is doing their reading and handing it in on Tuesday or Thursday
- Listen to your child read every night and talk to them about the book (this can be done in English or the home language).
- Register your child for **free books every month** from birth to 5 years of age on **Keighley's Imagination Library**.

We will be closing the gates 15 minutes after the nursery session starting time. Please make sure you are on time, otherwise you will need to report to the office. We also need you to be prompt at the end of each session. If you are running late please contact the office. If someone new is coming to collect please let us know who they are and confirm that permission has been given as we will not be able to allow them to leave.

Nursery News

Initially we have been settling in our new starters. Please do talk about this with your child and always reassure them that you will be back. You too will be worried that we will not be caring for them as well as you. Please come in and talk about this so we can ensure a quick transition. A worried parent leads to a worried child. Our door is always open. We welcome back our existing children and encourage them to make new friendships and help everyone achieve a smooth and quick transition.
