Learning at Home Menu

Year 3 Classes: 3CH & 3MI

Our theme for Autumn 1 is: Marvellous Maps

All of the homework options below are linked to either this theme or other learning from this term such as English / Maths / Science etc. Pupils are expected to **read** for at least 20 minutes every day. They should also find some time to practice their **phonics / spellings and times tables**, in addition to choosing 1 or 2 things from the options below each week. Try to ensure a balance of different activities are completed over the half term, for example maths one week, creative the next etc. Work (which can include photographs / evidence of activities or visits etc.) should be recorded in this Learning at Home book. Feel free to bring in models or other creative projects to display in the classroom.

English

- Explore your local area, the street where you live, the local park, or even a trip to the shops. Describe what you can see, smell, hear and how it makes you feel.
- Write a book review. It could be your favourite book, one you have read recently, or the book in your book bag. What do you like or dislike about it? Can you summarise what happens? Who are the main characters? What do they do and why?
- Make a poster about Keighley, encouraging people to visit. What will they find in Keighley? Why should they come?

Maths

Hundred Square

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

- Practise counting in 4s, 8s, 50s and 100s.
- Keep practicing your times tables (2, 3, 4, 5, 8, 10). You can use your log in for Times Table Rock Stars or Hit the Button if you want to play online.
- Practise 10 more/less than a number. Can you think of ways to help you do this? (Use a 100 square, any other ways?)
- Practise 100 more/100 less than a number.
- Create your own 100 or multiplication square.

Homework

Creative

- Create your own map. It could be of your house, your local area, or one you have made up. Remember to use a key and symbols.
- Create your own flower from recycled materials. Remember to include all of the different parts of a flower. Can you create cotton plant?
- Reproduce your own version of a famous piece of art work such as 'Sunflowers' by Van Gogh or 'Red Canna' by Georgia O'Keeffe.
- Make a sketch in pencil first so you can work on the position and shape of the flowers. (Don't press on too hard with your pencil)
- Try to match the colours and the style of the artist.
- Will you use coloured pencils, felt tip pens, paints or something else?
- Make up your own dance routine – can you write down the steps?

Other

- Watch Newsround and summarise the two main stories including the headlines.
- Know your Phase 2 to Phase 5 phonemes and create words using these.
- Make a fact file or presentation about Keighley and the surrounding area.
- Take a walk around your garden or local park. What plants, flowers and trees can you see?
- Make a sketch or take a photo of your favourites. Research what the different plants are called and how to look after them.
- Research Henry Isaac Butterfield. Who was he, and why was he important to Keighley? You can present your work as a report, poster, or even a news report (video)
