

Year group: **6** Our theme for this half term is: **PROTECT THE PLANET / POLLUTION SOLUTIONS**

All of the homework options below are linked to either this theme or other learning from this term such as English / Maths / Science etc....

Pupils are expected to **read** for 15 minutes every day and practice their **spellings and times tables** every day as well in addition to choosing 1 thing from the options below each week. Try to ensure you do a balance of different activities over the half term, for example Maths one week, creative the next etc... Work (which can include photographs / evidence of activities or visits etc..) should be recorded in this Learning at Home book (unless it is a model).

123

English (Reading, Grammar, Spelling, Writing, Oracy, Handwriting)

1. Produce an information leaflet about Protecting the Environment.
2. Write a rap/song about how we can help protect the moorlands and our local environment.
